Dear Madam:

In accordance with 37 C.F.R. 1.133(b), Applicant submits herewith a written summary of the interview conducted on November 11, 2008.

Participants in the inter view of November 11, 2008 included Examiner Hernández and Applicant's representative David Beck. The participants discussed the rejection in the Office Action dated August 7, 2008 of independent claims 26, 37, and 44 under 35 U.S.C. § 103(a) as being unpatentable over PCT Publication WO 97/20434 ("Denyer") in view of U.S. Patent No. 6,133,953 ("Okada"). The Examiner and Applicant's representative agreed that Denyer and Okada do not teach the limitations of claims 26, 37, and 44.

Applicant thanks the Examiner for the courtesies extended during the interview and submits that the application is now in condition for allowance.

Dated: December 11, 2008

Respectfully submitted,

By
